## From the Membership, To the Membership

A lot of great things are happening at CF&G. Has anyone noticed the "NEW" sporting clays course? Has anyone noticed all the shooters coming by on Saturdays to practice? It's been GREAT. Again, CF&G members were well represented at the PA State Trap Tournament, PA State Skeet Tournament and PA Sporting Clays Tournament. And once again, whether CF&G members came home winning their respective classes, as a club we were in attendance and everyone knew CF&G members were there!!! Thank you to all the club members who enjoy the various shooting sports...Way to Go!!!

## Important Dates

### Board Meetings: at 7pm

November 08, 2010  
December 13, 2010  
January 10, 2011

All Board Meetings are held on the 2<sup>nd</sup> Monday of the month.

### Membership Meeting: at 7pm

January 05, 2011

## Youth Shotgun 2010

Our resident NRA Instructor Mr. Dick Rein held the annual Youth Shotgun class in June. This year there were 5 young men who participated. Oh, the excitement when they started hitting those birds !!!!!!! Our next class will be held in June 2011. We'd really like to see more young men and ladies attend this class – all supplies (shells / youth shotguns) are free. All young people who attend always enjoy the class. Safety is the #1 priority !!!!!!!!!!!

## REMINDERS

### NEW PATTERN BOARD:

Pattern Board is now located on the side of the Barn Parking lot. Paper is available and stone pads are marked. For use by all club members.....

### RIFLE / PISTOL RANGE:

The combination number for the locked gate is located on the back of your 2010 club membership card. This will be changed January 1, 2011, with your new membership card. You MUST be a member to access the Rifle / Pistol Range. Please insure when you leave the gate it is LOCKED !!!!!!! And a "Sincere Thank You" to the Rifle / Pistol Range Committee for taking care of the back stops and all that you do. You fellas are kinda quiet down there, but we know who you are.....Great Job!!!

### GENERAL REMINDER:

Eye and ear protection is mandatory in all shooting sport areas!

## Trap News

The Industrial Trap League began on Wednesday / April 14, 2010 running for 15 weeks. There was "Fierce" competition between the 7 teams. But those 49's won the gold. Thank you goes out to all of the Trap League volunteers who make this league a success and so enjoyable to participate.

CF&G participated in the York County Trap League, placing 3<sup>rd</sup>. Way to go !!!! Watch the [carlislefishandgame.org](http://carlislefishandgame.org) website for upcoming events. The Winter Trap League is coming.....

**Friendly Reminder:** Trap practice is open Saturdays 11am – 3pm.

## Sporting Clays / 5-Stand News

Beginning in June, the 5-Stand automatic traps were moved onto the Sporting Clays course, which allowed our course to become automated. WOW – it's been GREAT. Nice targets, easy access to begin shooting and lots of positive feedback from all who have been attending. Thank you goes out to all the volunteers who have made this happen. Thank you very much – Job Well Done...

CF&G members represented our club well at the 2010 PA Sporting Clays Tournament, held in July at Thunder Ridge Sporting Clays Farm, Middlebury Center, PA.

Our resident winners were:

Jared Rumer / 2010 PA State Champion.  
Way to go Jared! He also took M2 in the 5-Stand Event

Scott Nave / placed in the following events punching from A to Double A:

A3 Main Event  
A1 Preliminary Event  
A1 20 Gauge  
A2 28 Gauge  
A3 5-Stand

Way to go Scott, you were poised throughout, and your scores show it. Great Shooting... Way to Go!

C1 / Bob Moyer / 28 Gauge  
E1 / Bunny Patterson / 410 Bore  
CH / Rodger Becker / Side by Side  
AA2 / Don Stoner / 5-Stand  
C1 / Herb Evans / Preliminary Event  
B1 / Tim Moyer / 5-Stand

Please forgive me if I left anyone out that should have been listed. I post these winners from memory, as I do NOT have a membership list. So if I have inadvertently left someone's name out, it's NOT intentional. Please bring it to my attention, and I will correct in the next newsletter, Spring 2011.

## Skeet News

The Skeet Club Championship Shoot was held Saturday, October 16, 2010. Watch the website for results.

Have questions about the skeet program? Feel free to contact John Mastalski at 717-460-8222.

## Archery News

Those "archers" are still at it. Bob and George have added a new member to their crew – Mr. Dave Gramley who has been a wonderful asset. Thank you for all your enthusiasm and help.

For additional information, please contact George Criswell (717) 432-4062

## PA Game Commission / Hunter Safety Course

There were three courses held this year. CF&G was host to over 250 men, women, boys and young ladies during these sessions. All who attended earned their Hunter Safety Certificate.

Keep an eye out for the 2011 Hunters Safety Course schedule on the website. You must pre-registered at [carlislefishandgame.org](http://carlislefishandgame.org). Follow the link to the PA Game Commission website. These courses are free and open to the public.

## Lead Reclamation Project

In the next few weeks you may see some changes around the club. Strange faces, strange equipment, but don't worry it's part of a plan. We will be beginning a Lead Reclamation Project that will last a few weeks. On Target Range Services Co. has been contracted to complete the work this fall. This work should not interfere with any of our shooting activities. So come on out and shoot for a while.
